

Rural Housing Service, USDA

§ 3550.159

§ 3550.157 Payment subsidy.

(a) *Borrowers currently receiving payment subsidy.* (1) RHS will review annually each borrower's eligibility for continued payment subsidy and determine the appropriate level of assistance. To be eligible for payment subsidy renewal, the borrower must also occupy the property.

(2) If the renewal is not completed before the expiration date of the existing agreement, the effective date of the renewal will be either the expiration date of the previous agreement if RHS error caused the delay, or the next due date after the renewal is approved in all other cases.

(3) The borrower must notify RHS whenever an adult member of the household becomes employed or changes employment, there is a change in household composition, or if income increases by at least 10 percent. The household may also report decreases in income. If the change in the household's income will cause the payment for principal and interest to change by at least 10 percent, the household's payment subsidy may be adjusted for a new 12-month period. The new agreement will be effective the due date following the date the borrower's information is verified by RHS.

(b) *Borrowers not currently receiving payment subsidy.* Payment assistance may be granted to borrowers not currently receiving payment subsidy whose loans were approved on or after August 1, 1968, whose income does not exceed the applicable low-income limit for the area, are personally occupying the RHS financed property, and who meet the requirements of § 3550.53(b), (e), and (f). In general, to receive payment assistance the term of the loan at closing must have been at least 25 years. If an account has been reamortized and the initial term of the loan was at least 25 years, payment assistance may be granted even though the term of the reamortized loan is less than 25 years. Payment assistance may be granted on a subsequent loan for repairs with a term of less than 25 years.

(c) *Cancellation of payment subsidy.* RHS will cancel a payment subsidy if the borrower does not occupy the property, has sold or transferred title to

the property, or is no longer eligible for payment subsidy.

§ 3550.158 Active military duty.

The Soldiers and Sailors Relief Act requires that the interest rate charged a borrower who enters full-time active military duty after a loan is closed not exceed six percent. Active military duty does not include participation in a military reserve or the National Guard unless the borrower is called to active duty.

(a) *Amount of assistance.* If a borrower qualifies for payment subsidy after reduction of the interest rate to six percent, the amount of payment subsidy received during the period of active military duty will be the difference between the amount due at the subsidized rate for principal and interest and the amount due at a six percent interest rate. The six percent interest rate will be effective with the first payment due after RHS confirms the active military status of the borrower.

(b) *Change of active military status.* The borrower must notify RHS when he or she is no longer on active military duty. RHS will cancel the six percent interest rate and resume use of the promissory note interest rate. A new payment subsidy agreement may be processed if the borrower is eligible.

§ 3550.159 Borrower actions requiring RHS approval.

(a) *Mineral leases.* Borrowers who wish to lease mineral rights to a security property must request authorization from RHS. RHS may consent to the lease of mineral rights and subordinate its liens to the lessee's rights and interests in the mineral activity if the security property will remain suitable as a residence and the Government's security interest will not be adversely affected. Subordination of RHS loans to a mineral lease does not entitle the leaseholder to any proceeds from the sale of the security property.

(1) If the proposed activity is likely to decrease the value of the security property, RHS may consent to the lease only if the borrower assigns 100 percent of the income from the lease to RHS to be applied to reduce principal and the rent to be paid is at least equal
